GETTING TO KNOW YOU

NAME _____

At Boston Pizza, we realize the importance of contributing to the community. That is why we have developed this questionnaire to find out how Boston Pizza can get involved in OUR community. With your help, we can develop programs and events that will benefit the community we live in.

Do you know anyone on the Student Council or Parent Teachers Association at your school?

Do you volunteer with any organizations or know someone who does?

Do you play/volunteer/coach any sports teams or know someone who does?

So you have any friends/family that may be interested in partnering with Boston Pizza?

Do you know any influential people in the community?

Can you think of any upcoming events Boston Pizza should get involved in?

Thank you for taking the time to complete this questionnaire.
